- g) The curriculum vitae structure must comply in full with the "Operationalization of Parameters and Criteria of Curricular Evaluation" approved by the jury of this tender, in minutes no. 1, following the order of the evaluation parameters and items, a mandatory condition for its rating, and attaching the documents validated by the responsible institutions. Items not properly ordered will be excluded;
- h) In accordance with paragraph 6 of article 11 of Decree no. 125-A/2019, of 30 April, amended and republished by Decree no. 12-A/2021, of 11 January, the jury's minutes, with the evaluation parameters and the corresponding weightings for every selection method applied, the

classification table, and the final evaluation system of the method, will be published on ESEnFC's webpage, at <https://www.esenfc.pt/pt/page/3684/165>.

7.2 - In accordance with paragraph 4 (a) of Article no. 23 of ECPDESP, and paragraph 3 of Article no. 18 of the Regulation for the Recruitment of Teaching Staff, approved by the President of the ESEnFC in the Order of 13 June and published by Order no. 6279/2019 in *Diário da República*, 2nd series, no. 129, of 9 July, the jury may, whenever necessary, request the candidates to submit the original supporting documents attached to the curriculum vitae, as well as to provide additional documentation related to the curriculum vitae, establishing a deadline for this purpose.

7.3 - The candidate must provide a copy of the documents mentioned in sub-paragraphs e) and f) of paragraph 7.1 of this notice in a non-editable format (pdf) and in a properly identified digital recording device (USB flash drive). The candidates are responsible for ensuring that the digital files submitted are readable and a precise copy of the documents submitted on paper.

7.4 - The curriculum vitae must be submitted in Portuguese or English for candidates from foreign countries.

7.5 - The supporting documents attached to the curriculum vitae must be submitted in the original language they were issued. These documents must be translated into Portuguese or English if these are not their languages of origin.

8 - Exclusion from the tender:

8.1 - Failure to present the documents required under the terms of this notice, or their presentation after the deadline, will result in the exclusion of the application.

8.2 - The submission of false documents will result in immediate exclusion from the tender and participation to the competent authorities for purposes of criminal prosecution.

8.3 - Candidates who do not meet the admission requirements will be excluded, being previously notified of this decision via email to allow for a "Hearing of Interested Parties" to be conducted under the terms of Administrative Procedural Law.

9 - Following the preliminary evaluation of the curriculum vitae of the candidates admitted, the jury may decide to hold public hearings, in which case all candidates will be informed of the date and place of the public hearings at least five days in advance.

10 - The documents provided by candidates shall be returned upon request, three months after the termination of this tender, except if the tender has been subjected to judicial objection, in which case the documents shall only be returned after the jurisdictional decision is made.

11 - Selection and ranking criteria, evaluation system, and final classification (established under the terms of article no. 7 of Order no. 6279/2019, of 9 July):

11.1 - Candidates will be selected through the curricular evaluation method. The final classification will be obtained based on an assessment system composed of parameters, criteria, and weightings.

11.2 - The following parameters shall be considered in the curricular evaluation:

a) The candidates' qualifications (Q), evaluated based on their academic and training path, considering the following criteria:

- i. The academic degree and the specialist title in Nursing obtained in accordance with Decree-Law no. 206/2009, of 31 August;
- ii. Specialized and postgraduate training;

b) The candidates' technical-scientific and professional performance (DTCP), evaluated based on the analysis of their most relevant works and activities in the subject subarea of the tender:

- i. Scientific publications up to the publication date of the notice of this tender;
- ii. Scientific and technological dissemination activities up to the publication date of the notice of this tender;
- iii. Participation in R&D projects up to the publication date of the notice of this tender.

c) The candidates' pedagogical capacity (CP), evaluated based on the quality and extension of their previous pedagogical practice, considering the following criteria:

- i. Course units and type of classes lectured in the different cycles of studies;
- ii. Other pedagogical activities within the scope of training up to the publication date of the notice of this tender;

iii. Experience in the elaboration of pedagogical materials and implementation of innovative techniques and methods of teaching support up to the publication date of the notice of this tender.

d) Other activities relevant to the ESEnC's mission (OAR), evaluated based on the candidates' individual activities, considering:

- i. Service provision and consultancy;
- ii. Positions held, functions performed, and supervision provided in higher education institutions and other institutions;
- iii. Professional, cultural, and social activities and others the candidates consider relevant and are not included in the previous parameters.

11.3 - The criteria and weightings for the curricular evaluation of the different parameters are defined by the jury and available for consultation under the terms of paragraph 7.1(h) of this notice.

11.4 - The final classification (CF), on a scale of 0 to 100 points, is obtained through the following formula: $CF = (0.20 Q + 0.30 DTCP + 0.30 CP + 0.20 OAR)$. The classification (C) will be converted into a scale from 0 to 20 points, applying the formula $C = CF/5$. Candidates who obtain a final classification equal to or higher than 12 points without rounding will be considered approved with absolute merit.

11.5 - In case of a tie between candidates, the final classifications to two decimal places will be applied. In case a tie still exists, the following tie-break criteria will be applied consecutively: 1) Best score of the sum of DTCP and CP; 2) Best classification in CP; 3) Best classification in DTCP; 4) Best classification in OAR.
